Public Forum: None

TCEQ Application #13524 Waterstone Creek LLC for a Dam on South Llano: Discussion was held concerning the proposed dam at the head of the South Llano River, above 700 Springs Ranch. A report from the City's Engineering Firm, Ardurra was given in which the firm did not believe the 12.02 acre containment would effect the City's water supply. The only concern was setting a precedent for future containments. Lee Pfluger spoke concerning where the proposed containment was and how small the actual stream was that would be filling the containment. Mayor Hammonds told Council that they could file public comments, public hearing request and request a contested hearing. Hammonds asked for a motion for a public hearing and a contested hearing.

Alderman Haynes made a motion for the City to file for a public hearing and for a contested hearing. Alderman Couey seconded the motion. Motion carried unanimously.

The meeting adjourned at 6:04 p.m.

CITY SECRETARY, GARVENE ADAMS

MAYOR, W.R. HAMMONDS
